Improved streets built by city.....20Harlan county was dead to the

the L. & N. railroad was extended in-
to it three years ago. Now it is pro-
gressing with a vengeance. They

to be observed generally throughout
the nation, and public meetings are to
be held at which child welfare is to
be discussed and lectures and demon-
strations will be held in many com-
munities. The movement is being
promoted by the General Federation
of Women's clubs.Miss Bean, of New Decatur, Ala.,
eloped from her mother's own room,
where she had been ordered to sleep,
and married her lover, Ed Cook. She
set her shoes on the porch and arose
in the night and tipped out, escaping
in an automobile bareheaded. Cooks
and Beans make a combination, after
Boston's own taste, if not popular in
Tennessee.The Nashville Tennessean has moved
into its handsome and commodious
new quarters and is receiving con-
gratulations from all over the coun-
try. The new location is on Fourth
avenue and is a most desirable one
in every way. The Tennessean bears
every evidence of prosperity, and
while it is a good paper with a fine
news service, it has two distinctive
features that commend themselves to
the public—the superiority of its Orr
cartoons and the excellence of its
editorial page.Bishop Emeritus Thomas C. Carter,
of the United Brethren church, of
Chattanooga, died in Cincinnati Sun-
day from complications resulting from
wounds inflicted by highwaymen
eight days before when he was held
up and robbed on the streets of the
city. He returned from a short walk
and told the hotel clerk that he had
been held up by two highwaymen
who struck him in the eye and robbed
him of \$5. Erysipelas developed and
he was removed to the home of a
friend, where he grew worse and
died.

WHEN COFFEE WAS NOVELTY

Greek First Brewed the Now So Pop-
ular Beverage, at Oxford
in 1646.Joannes Gennadius, the Greek en-
voy to Great Britain, ascribes to a
Greek named Nathaniel Canopios the
introduction of coffee in that
country in 1646, when Canopios was
a student at Oxford, where he
brewed the drink for his own use, ac-
cording to an exchange. The estab-
lishing of the first coffee house in
London was, it is said, by a Greek
named Pasqua, in 1650.Another writer gives the date of
1654 as that on which coffee was first
sold in England. This was at Ox-
ford and by a Jew named Jacobs.
Oldys, the celebrated antiquary,
states that the use of coffee in Eng-
land was first known in 1657; that
Mr. Edwards, a merchant, brought
from Smyrna to London "one Pas-
qua Rosee, a Ragusan youth, who
prepared this drink for him every
morning."Later the merchant allowed his
said servant with another of his son-
in-law to sell it publicly, and the sign
of the first coffee was "Pasqua Rosee's
own head." It was given out that
this new drink was "excellent to pre-
vent and cure the dropsy, gout and
scurvy; and it is known by experi-
ence to be better than any other dry-
ing drink for people in years or chil-
dren that have any running humors
upon them, as king's evil, etc."It is a most excellent remedy
against the spleen, hypochondriac
minds and the like; it will prevent
drowsiness and make one fit for busi-
ness if one have occasion to watch,
and therefore you are not to drink
it after supper, unless you intend to
be watchful, for it will hinder sleep
for three or four hours." And today
all these excellent praises are turned
against the beverage of the browned
berry.

Effect of One Bottle.

Crandall, Tex.—"After my last
spell of sickness," writes Mrs. Belle
Teal, of this city, "I remained very
ill, and stayed in bed for eight weeks.
I couldn't get up, all this time, and
though my doctor came to see me
every day, he didn't do me any good.
I had taken but one bottle of Cardui,
when I was up, going everywhere,
and soon I was doing all my house-
work." Cardui helps when other
medicines have failed, because it
contains ingredients not found in any
other medicine. Pure, safe, reliable,
gentle-acting—Cardui is the ideal
medicinal tonic for weak, sick women.
Try it.—Advertisement.

REQUIREMENTS OF HUSBANDS

"Love and a Cottage" Favored
by One University Student.Minneapolis, Feb. 28.—The Minne-
sota Daily, the student newspaper of
the University of Minnesota, which
had asked the women students of the
institution the question, "How much
salary must a man receive before you
would consent to marry?" gives re-
plies ranging from \$500 to \$10,000 a
year. Most of the girls were conser-
vative in their demands, however,
and the general average based on
early replies, is about \$1,600.One girl wrote: "What is money
to me! Give me a true, loving hus-
band and a cottage."A large majority of the girls de-
manded that their future husbands be
good dancers, some said they must
know the "latest steps," and one
went so far as to say she would mar-
ry only a man who was a "dreamy
dancer."Smoking would be permitted, even
demanded, by a large number of the
girls, but drinking would be prohib-
ited, and those who advocated card
playing say bridge should be substi-
tuted for poker, although one girl
concedes her future husband one
night a week for the latter game.

Dangers of Draft.

Drafts feel best when we are hot
and perspiring, just when they are
most dangerous and the result is
Neuralgia, Stiff Neck, Sore Muscles
or sometimes an attack of Rheuma-
tism. In such cases apply Sloan's
Liniment. It stimulates circulation
to the sore and painful part. The
blood flows freely and in a short time
the stiffness and pain leaves. Those
suffering from Neuralgia or Neural-
gic Headache will find one or two
applications of Sloan's Liniment will
give grateful relief. The agonizing
pain gives way to a tingling sensa-
tion of comfort and warmth and
quiet rest and sleep is possible!
Good for Neuritis too. Price 25c.

Deal Blocked.

Ashland, Ky., Feb. 28.—G. E.
Cochran, of the Federal court, has
held that the city of Ashland can not
buy the Ashland Water Works for
which it contracted in 1911, when a
bond issue for \$175,000 for that pur-
pose carried. Citizens enjoined the
issuing of the bonds. Judge Coch-
ran, in his decision, holds that a cor-
poration can not issue bonds for more
than five per cent. of its assessed val-
uation.Children Cry
